Dear Ms. Schimmel:

Byron Bradd, General Manager of ETICAM, requested that I advise you as to the compliance status of the ETICAM facility located in Fernley, Nevada. The Division of Environmental Protection has no records of any releases of hazardous constituents from the facility. On March 28, 1989 staff performed a CEI of the facility. No Class I violations were noted during the inspection.

If you have any questions, please contact me at (702) 885-5872.

Sincerely,
